

SI-MAGB3MM

Machine Safety – Coded Magnet for Magnetic Safety Switch

Technical data

Type	SI-MAGB3MM
ID	3807134
Function	Coded magnet for magnetic safety switch
Design	Smooth barrel
Dimensions	Ø 35 x 15 mm
Housing material	Plastic, Thermoplastic material
Cascadable	No
Ambient temperature	-25...+70 °C
Protection class	IP67
Coding level/tamper protection	Low

Features

- Tamper-proof
- Magnetic safety switch SI-MAGB3SMxx required for operation
