

SI-MAGB2MM

Machine Safety – Coded Magnet for Magnetic Safety Switch

Technical data

Type	SI-MAGB2MM
ID	3807138
Function	Coded magnet for magnetic safety switch
Design	Rectangular
Dimensions	26 x 13 x 43 mm
Housing material	Plastic, Thermoplastic material
Cascadable	No
Ambient temperature	-25...+70 °C
Protection class	IP67
Coding level/tamper protection	Low

Features

- Tamper-proof
- Magnetic safety switch SI-MAGB2SMxx required for operation
