

SI-MAGB1MM

Machine Safety – Coded Magnet for Magnetic Safety Switch

Technical data

Type	SI-MAGB1MM
ID	3807144
Function	Coded magnet for magnetic safety switch
Design	Rectangular
Dimensions	25 x 13 x 88 mm
Housing material	Plastic, Thermoplastic material
Cascadable	No
Ambient temperature	-25...+70 °C
Protection class	IP67
Coding level/tamper protection	Low

Features

- Tamper-proof
- Magnetic safety switch SI-MAGB1SMxx required for operation
