

PRESS RELEASE 16/12

## New V. P. Sales Factory Automation at Turck

Jürgen Grabow is responsible for Turck sales activities in the Factory Automation market

*Mülheim, October 2, 2012* – Jürgen Grabow has been appointed vice president sales factory automation of Turck. The graduate engineer will thus direct and be responsible for all sales activities in the field of factory automation worldwide. The 49-year-old has extensive experience in international sales management in the industrial automation sector. Before moving to Turck, Grabow worked for several years in sales management positions at Kontron AG – since 2006 as executive vice president sales for the EMEA region.

Jürgen Grabow studied electrical engineering at the RWTH Aachen university and acquired his first professional experience in the sale of electronic measurement technology and industrial computers. He is married and has two daughters.
